You are invited to the Bushwalking NSW  
November General Meeting Keynote Presentation:

## The 'Save Kosci' protest walk – a report from the front line

To be presented by Linda Groom, Convenor of Save Kosci Inc

*On Tuesday 20 November, 2018 at Redfern Town Hall*

This year the NSW Government passed the *Kosciuszko Wild Horse Heritage Act 2018*, giving feral horses and other feral animals the right to continue damaging this unique NSW National Park, and endangering a host of threatened native species.

*Under threat: broad toothed rat. Photo: Ken Green*

The '[Save Kosci' protest walk](#) aims to make repeal of the Kosciuszko Wild Horse Heritage Act an issue in the March 2019 NSW election.

As the walk reaches its half-way point, join us for this illustrated update from its organiser, Linda Groom, on the walk's first weeks, and how this mammoth undertaking was organised. Hear how you can help and get involved.

The walk follows a Camino-style route through Camden, Picton, Mittagong, Tallong, Bungonia, Tarago, Bungendore, Queanbeyan, Comma, Jindabyne and Charlotte Pass, reaching the summit of Kosciuszko between 7 and 9 December.

You can register for the walk or donate now to the cause via: <https://savekosci.org/>

Your Presenter, Linda Groom is a past-president of the Canberra Bushwalking Club, and has organized long distance club walks in places ranging from the Kimberleys to British Columbia.
